Web Hosting Contract

For: _____

Thank You For Renewing With Us !

This is a basic hosting and maintenance contract. When your site was built by us, it was search engine optimized together with keywords and meta tags. We do offer contracts with increased services but with this contract, services such as niche marketing, paid inclusions and so on are not included. Some sites may not require these services and this basic contract will be sufficient. If it is not, please contact us to increase your advertising.

1. Hotel Site Design will provide hosting & maintenance for the above-named Client website(s).
2. Hotel Site Design reserves the right to refuse service to anyone.
3. Client agrees to pay yearly invoices in a timely manner, in advance for any year in which he wishes to continue hosting services. Client has option to pay three years at \$600.00 total.
4. Yearly Hosting And Maintenance fee to be paid is: \$250.00 In Advance Per PayPal Only
5. This hosting contract covers website hosting, simple maintenance not to exceed an hour per month and website support such as providing stats on request.
6. Some Branded Franchise Chains will change their website requirements. When your site was built, it was built brand compliant. Should the brand call for a total reformat, charges will incur.
7. Any extra work or support such as working with the booking engine, OTA'S or other items outside of the scope of the website will incur extra charges.
8. Hotel Site Design shall not be responsible for any loss of business or other damages resulting from occasional "down-time" that is beyond our control. Upon terminating the contract, website goes down and the domain and photos will be available for you to take. (not the website files)
